

CHELMSFORD AMATEUR RADIO SOCIETY

Newsletter No. 54

July 1970.

Meetings

The Society next meets on Tuesday 7th, July 1970 at the Marconi College, Arbour Lane, Chelmsford, commencing at 7.30 p.m.

This month Arthur Butcher G3KPJ has kindly agreed to give a lecture entitled "CERTIFICATES and AWARDS", in which he will endeavour to encourage many more 'locals' to take part in future contests and award winning events. Do come along as I am sure the evening promises to be a most interesting one.

Raffle

Two more books for the shack this month:-

"ARRL Antenna Handbook" and "SSB for the Radio Amateur"

D.F. Hunt News - SPECIAL ANNOUNCEMENT

Due to a clash of dates with the Anglian Mobile Rally, the D.F. Hunt programmed for 21st, June in which G3KPJ/P should have been the hidden station was cancelled.

The C.A.R.S. Committee apologise for this mistake and advise all hunters of the revised programme:

Sunday 5th, July, hidden station G3WMN/P starting from Galleywood Common at 1400 hours B.S.T.

Sunday 26th, July, hidden station G3KPJ/P starting from Galleywood Common at 1400 hours B.S.T.

Field Day

Need we say that the weather was just right for N.F.D. The sun beating down must have given all concerned quite a tan. The total number of stations worked was 325 and although conditions were not as good as would have been liked, we have a reasonable chance of getting a good placing.

Thanks are due to all operators for their worthwhile efforts on the key and to the many people who turned up to erect tents, aerials and to keep the generator in trim. Special thanks also to the Catering Committee, who proved their value without a doubt.

Next Committee Meeting

The Committee next meets on 15th, July at the "Wheatsheaf", New Street, Chelmsford - Saloon Bar, commencing at 7.30 p.m.

DONT FORGET THE MONTHLY COMPONENT SALE. BARGAINS GALORE!!
